

Congratulations for Entering the Wic Candle Co. Rewards Journey!

Congratulations and welcome to the Wic Candle Co. family! We are so excited to have you join us on this journey of self-care and adventure. As a special thank you, we are thrilled to offer you a voucher that you can use towards your first seasonal subscription candle box, or starter box.

We understand the importance of taking care of yourself, especially during these challenging times. That's why we created our candle boxes to provide you with moments of serenity and joy. To claim your voucher, simply add any Wic Candle Co. Subscription Box to your cart and **APPLY COUPON 'DISC10'**. The coupon will automatically deduct \$10 off your order.

If your order is recurring, the coupon will only apply to the first box.
